Aspiring Software Engineering Educator with a robust foundation in software development principles and practices. Proficient in various programming languages and development tools, I am eager to share my knowledge and experience with students. Passionate about fostering a deep understanding of software engineering concepts, I aim to inspire and guide the next generation of developers. Seeking an opportunity to contribute to an academic environment where I can apply my technical skills, analytical abilities, and innovative mindset to create a dynamic and engaging learning experience. Committed to continuous learning and professional development, I am dedicated to driving technological advancements and cultivating a forward-thinking approach in the classroom.

EDUCATION

Ravenshaw University , Cuttack

Master Of Computer Application (2023)
Honors: (75%)

F.M University , Balasore(Bhadrak Autonomous College)

Bachelor Of Computer Application (2021)
Honors: (72%)

CHSE (Bhadrak Women's College)

Higher Secondary (2018)
Honors: (48%)

BSE (Balikhanda High School)

Secondary (2016)
Honors: (73%)

ADDITIONAL SKILLS

- **Operating System :-Windows, Linux**
- **Programming Language :-C, C++, Python, Java**
- **Application & Tools :-Vs code, Sqlyog**
- **Databases :-MySQL**
- **Knowledge About :-HTML, JavaScript, Django, Flask**

STRENGTHS

As a dedicated and driven software engineering aspirant, I bring a solid foundation in programming languages and software development methodologies. My strengths include a keen analytical mindset, which allows me to solve complex problems efficiently, and a collaborative approach to teamwork, fostering productive and innovative environments. I have a proven ability to quickly learn new technologies and adapt to changing environments, ensuring that I can contribute effectively to any project. My attention to detail and commitment to delivering high-quality work ensure that I consistently meet or exceed expectations. Additionally, my strong communication skills enable me to convey technical concepts clearly and effectively to both technical and non-technical stakeholders.

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief. I understand that any false information may result in my disqualification from consideration for the position or my termination from employment if discovered at a later date.
